Dear Senior Class of 2021 and Parents,

I regret to inform you that due to the COVID-19 situation in Harris County and safety protocol, we will not be able to engage in prom this Spring. I know that this is extremely disappointing. As a district and in collaboration with the other high school principals, we attempted to work through every scenario possible to have prom. Unfortunately, the situation with COVID 19 has not improved enough for us to move forward with a traditional prom and maintain the safety protocols that are necessary at this time.

We are committed to engaging in celebrations for our seniors throughout the Spring semester. We want to honor and recognize all the hard work and effort that the Class of 2021 has demonstrated. While COVID-19 is a challenge, we are determined to be creative and find ways to celebrate our Seniors!

Our administrative team has been visiting with our Senior Class, Student Council Officers and Senior Sponsors to generate ideas and plans for the Class of 2021. While some activities have been made "covid friendly", we are also including new activities to celebrate our seniors. Once we have received feedback from students, we will solidify these activities and share them with our school community.

We thank you for your support and understanding. Feel free to reach out to me or our Senior Class Administrative Sponsor, Mr. Steve Dibble with any questions or comments.

Best regards,

Stephanie Meshell
