

Subject: SENIOR PARENTS

Attention Seniors and Senior Parents!

We need your help. Our first RAP 2015 fundraiser is Dr. Lepow's Halloween Party, a huge community fall festival event held in Rolling Forks on Halloween. We are supplying volunteers to help with the games and booths and handling concessions (supplying and selling for RAP profit).

Here are the ways you can help:

Friday night at the Homecoming Football Game at Pridgeon Stadium we will be collecting cases of water, 12 packs of Coke, Sprite, Diet Coke, Dr. Pepper & Lemonade – we would like each senior to bring a donation of one of these items to Entrance Gate #2 and RAP volunteers will be collecting the donations. We will also accept cash donations to fund the food purchases we will need to make for the concession items. Any contributions reduce our cost and increase our profit margin from the concession stands. Your help would be greatly appreciated.

Busy Parent Fundraiser – attached is the Busy Parent Fundraising form. If each senior family donated \$20.15 for RAP 2015 for each year they are in high school, our fundraising efforts would be complete. If you have not paid your donation each year you can still catch up by donating \$80.60 (4 years x \$20.15) – Gold Families that have made the total \$80.60 donation will make their student eligible for additional prize winning opportunities at the party.

Please let other senior parents know about these opportunities to help. Keeping our kids safe and off the streets on Prom Night is an important cause.
