College representatives will have a barcode scanner to securely capture the registration information you provide online

Why register for the Student Barcode Pass?

- Increase face-to-face time with the college representatives
- Provide your information **one** time online before the event instead of dozens of times on prospect cards at each college table the night of the event
- Ensure your personal data is accurately and securely shared with colleges and universities of your choosing
- It's **FREE** and it's **EASY** to input your personal information as well as to elaborate on your special interests, extracurricular activities, and unique accomplishments.
- A few days prior to **College Night**, you will receive a reminder email with your barcode attached.
