

Juniors & Seniors

Undecided about a career or college major???

Take the ASVAB - The **ASVAB** is a multi-aptitude test battery. It consists of eight, short tests that help to identify your skills in a variety of areas. These scores identify current strengths in verbal, math, science and technical skills. The **ASVAB** assesses academic ability and predicts success in a wide variety of occupations.

The **ASVAB** Career Exploration Program is cost-free!

The **ASVAB** centers on three things:

- ★ Discovering what your interests, abilities, and preferences are
- ★ Matching your interests, abilities, and preferences with occupations
- ★ Learning where and how to get information on different careers

Who can take the **ASVAB**?

The **ASVAB** is open to all **Juniors** and **Seniors** who did not participate their **Junior** year.

Should I take the **ASVAB** if I plan to go to college?

Yes. The **ASVAB** can help you decide which college to attend and what to study. The results provide you with information on your readiness for advanced academic information.
